GIVE YOUR TIME AND MAKE AN IMPACT!

Dress for Success Columbus understands that a woman’s career development is an ongoing process. Mentoring addresses the need for additional support during this time by connecting employed women with experienced professionals who provide one-on-one guidance to help women shape, pursue, and attain a strong network to achieve their career goals.

The Dress for Success Columbus Women2Women Mentoring Program is a 6-month commitment. Mentors and Mentees commit a minimum of 2-4 hours per month to rapport building, networking, and progress evaluation.

Dress for Success Columbus provides guidance to help make the most of the mentoring experience:

- Pre-program training
- Launch/introduction
- Monthly check-ins
- Mid-program connection
- Graduation celebration
