

PROGRAM PARTNERSHIP

Dress for Success Columbus empowers women to achieve economic self-sufficiency by providing a network of support, professional attire, and the tools needed to succeed in work and life. All programs and services are free of charge.

Dress for Success Columbus provides programs that are the bridge to success the women in our community need. Any woman referred by a community partner is eligible for service. Since opening our doors in 2007, more than 12,000 women have changed their lives through the services and sisterhood provided by our mission.

SECURE

A woman's journey to self-sufficiency begins with her regaining her self-worth in our Suiting Boutique and sharpening her skills in our Career Center, which give her the confidence to secure work.

RETAIN

Once employed, women select a Workplace Wardrobe to ensure they enter the workplace with dignity, and utilize our Professional Women's Group Employment Retention Program workshops and community engagement resources to retain their jobs.

ADVANCE

Women2Women Mentoring and our Success InSight conference help women build an invaluable network of support and gain leadership knowledge. As they move from entry-level jobs to upwardly-mobile careers and entrepreneurship, women advance, achieve economic independence and stability.

The majority of the women we serve are single moms. The impact of our programs extends into their families, breaks the cycle of poverty, and strengthens the economy in Central Ohio.

"NO ONE IS LESS-THAN
IN THE SISTERHOOD—
WE ALL ARE EQUAL.
WE ALL FEEL LIKE WE
HAVE EACH OTHER."
